

THE **WITHOUT WILL** STENCIL

With this stencil you have the ability to share your musical taste with the masses, impress your friends, and ignite the Without Will revolution. Just cut out the logo using scissors or a sharp blade, Place stencil over surface, aim, spray, and run away.*

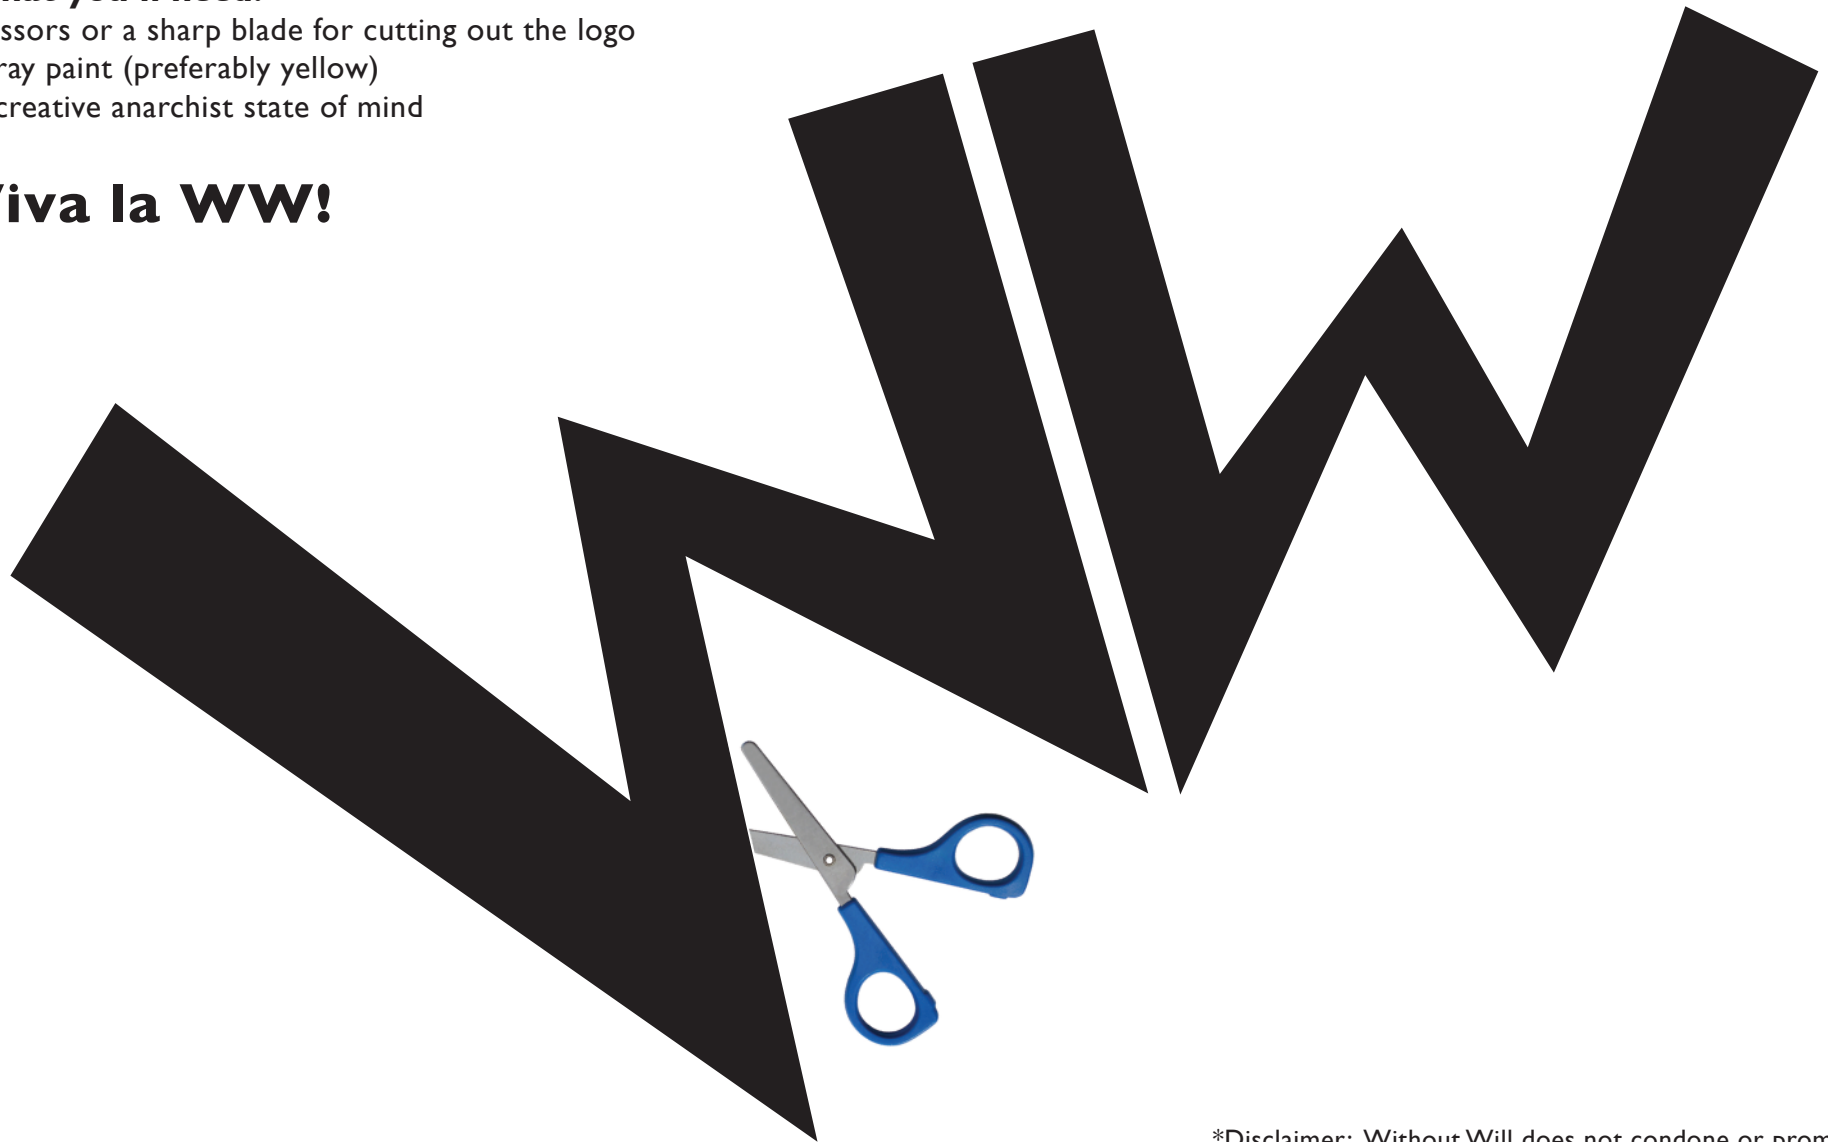

What you'll need:

Scissors or a sharp blade for cutting out the logo

Spray paint (preferably yellow)

A creative anarchist state of mind

Viva la WW!

*Disclaimer: Without Will does not condone or promote the vandalism of public property under any circumstances.
